We hope that you all had a wonderful summer and are excited to get back to the dance studio! We want to thank you all for such a great turn out during summer classes and camps. It's been a wonderful experience to see our students growing technically, forming lasting friendships, and getting to know the newest members of our studio family. Our 2021-2022 dance/tumbling year began August 10th and registration is still open. Tuition prices, registration fees, costume purchase info & other details are available at the front desk. See the attached flyer for all the details!
